

Community Colleges Local Strategic Value 2024

Institution: Glen Oaks Community College

As per Section 230(2) of the State School Aid Act (MCL.338.1830), a community college must demonstrate that it meets the Local Strategic Value qualifications to receive the portion of each college's performance funding appropriation earmarked for local strategic value. The statute lists 15 separate best practices for community colleges to achieve. Institutions must satisfy 4 of 5 best practices in each of 3 different categories.

A community college must certify by means of a board of trustees' resolution that the college has met 4 of 5 best practices in each category. Further, each board resolution "shall provide specifics as to how the community college meets each best practice measure within each category." **This resolution must be properly passed by the board and submitted to the State Budget Office on or before October 15, of each academic year.** However, if a resolution from a prior year is still in effect and factually correct, you may resubmit this resolution.

Please use this table as a method to **briefly** detail what your community college is doing to meet the best practices in each category. Each category is worth one-third of the total amount available for your institution. Your institution must meet 4 out of 5 best practices in a category to receive funding associated with that category.

Best Practices by Category	Examples of Adherence
Category A: Economic Development and Business or Industry Partnerships (must meet 4 of 5)	
(i) The community college has active partnerships with local employers including hospitals and health care providers.	Glen Oaks Community College (GOCC) has active partnerships with local employers to provide hospitals educational services and business trC8.6 (\$.3 (d)5.3 (i)2.
